

NEW FOR 2011 LEVEL OUT WITH BKL

**ELIMINATE CANTING ERROR
WITH BKL 12-WAY LEVELS.**

BKL's 12-way level eliminates canting error long range shooters often encounter. The level is easy to install and attaches to any 1 inch or 30mm scope tube. Position the level vial above, below, or off to the side for shooter preference.

When not in use the level conveniently folds for transport.

BKL-600 12-Way Folding Scope Level 1"

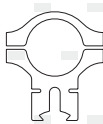

BKL-610 12-Way Folding Scope Level 30mm

BKL-620 Ring Mount Level

The BKL Ring mount level quickly and conveniently mounts to any BKL one or two piece scope mount.
